

NICANOR IGNACIO CHUMA

FULLSTACK WEB DEVELOPER

PROFILE

Junior Fullstack Web Developer with 2+ years of experience in web application development using technologies such as JavaScript, ASP.NET, SQL, and agile methodologies like SCRUM. I am currently a student of the University Technical Degree in Programming at UTN-FRGP, while leveraging my previous education in Systems Engineering, where I gained solid knowledge in programming paradigms and solving complex problems. I am passionate about learning new technologies and continuously improving my web development skills, focusing on creating efficient and scalable solutions.

EDUCATION

NATIONAL TECHNOLOGICAL UNIVERSITY (FRGP)

University Technical Degree in Programming (TUP)

March 2024 - Present

Software development training with a practical focus, covering languages like C++, Python, and databases.

NATIONAL TECHNOLOGICAL UNIVERSITY (FRBA)

Systems Engineering

March 2018 - Present

Group project work, collaborating with diverse programming paradigms and solving complex problems in teams.

EXPERIENCE

Internship as a developer at Ford Credit/IT

Ford Motorship - April 2023 to October 2024 (1.5 years)

- Involved in the modernization and maintenance of a legacy fullstack system, using MVC C# ASP.NET, JavaScript, and Bootstrap.
- Development and debugging of features on both the frontend and backend, integrating web technologies with an MVC architecture.
- Handled a complex Oracle SQL database, optimizing queries and managing large volumes of data.
- Used tools like Postman for API testing, Visual Studio for development, and SCRUM as an agile methodology, participating in sprints and code reviews.

 Buenos Aires, Argentina

SKILLS

Languages & Technologies

JavaScript, HTML/CSS,

Bootstrap, C#, SQL, Postman,

Python, C++

Framemorks/Tools

Git, GitHub, SCRUM, Visual

Studio, Agile Methodologies,

Visual Studio Code, ReactJS,

Unity

LANGUAGES AND COURSES

- Spanish - Native
- English - Bilingual (Cambridge C1 Advanced CAE)
- French - Basic (Alliance Française DELF A1)
- Complete Web Developer - Zero To Mastery
